

Today's News - May 16, 2003

A lot of zeros after the numbers to rebuild Ground Zero (and registrations for memorial design competition). – Affordable housing: exploding the myths that it has to be ugly and harms neighborhoods. – To save or not to save sites in Jersey City and Chicago. – Los Angeles awards preservation. – Proposals by Alsop and Cesar Pelli for a two-tower North Quay scheme on Canary Wharf. – Gehry team and Wilkinson Eyre on shortlist for Brighton, UK project. – Seattle development plans rekindled. – A striking waterfront memorial in New Zealand. – Newcastle's metro station as leisure zone. – An elegant city museum for Washington, DC. – Bucolic (not breathtaking) paintings translated into bucolic community. – Neimeyer House saved and lovingly restored. – Disney Hall and Bard performing arts center big hits with Brit crits.
